Updates to the MassDREAMS funding request process

Lender must upload Final CD to emasshousing.com **no later than 12 PM 2 Business Days prior to the closing**. We also require the Lender to complete the following steps to ensure our timely processing of the final grant approval:

- Upload a 3.4 file: If any change affects the lock, the lender must update OB and then upload the 3.4 file
- Once the CD has been uploaded, **Lender must send an email to MassDREAMS@masshousing.com** informing us the CD has been uploaded to emasshousing.com.

MassDREAMS Reminders for Lenders

Lenders must validate the following items when you submit for funding of a MassDREAMS Grant:

- Lender is responsible for the completeness and accuracy of the Closing Disclosure “CD”. An inaccurate CD may result in our inability to process your wire request in time for the closing.
- Please ensure to include the DPA and the MassDREAMS Grant amount on 1st Mortgage CD (Section L).
- Please ensure the terms of your lock is consistent with the terms of the CD. All changes to your lock that effect pricing must be completed in OB. Please contact holockdesk@masshousing.com to remove a DPA no longer part of the transaction.
- MassHousing overlay of total origination charges (Section A of the CD) may not exceed 2% of the loan amount. MassDREAMS grant will allow bona fide points to be excluded from the calculation when the lender provides evidence of a commensurate rate reduction i.e., compliance report, rate sheets.
- The MassDREAMS may not be used for the payment of debt to qualify or otherwise. Lenders must submit proof of payment of all items on the CD and the source of funds at loan submission for purchase.
- Borrowers may not receive cash back at closing except for the verified payment of customary fees or deposits associated with the transaction i.e., EMD or POC.
- For Conventional Loan on a multi-family property, the Lender must ensure the borrower’s minimum contribution of 3% of their own funds into the transaction.

The MassDREAMS Grant **must** be used in conjunction with a MassHousing first mortgage loan. If you have not originated a MassHousing loan recently, please begin with attending one of our daily Live Product [trainings](#). Additional On Demand sessions are available to help you originate, underwrite, and deliver a MassHousing loan. All MassDREAMS material on emasshousing.com has been updated to reflect these changes. Please email MassDREAMS@masshousing.com if you have any questions regarding the MassDREAMS Grant.
