Updated Pricing Structure

To make it easier for our brokers to do business with MassHousing, we have updated our pricing structure in eMassHousing.com. When visiting our Product and Pricing engine, your broker compensation will already be built into our pricing. Effective immediately, you will simply need to price to 100.00.

Should you have any questions, please email LockDesk@masshousing.com or call 888- 843-6432 option 1, 4, or contact your Relationship Manager.
