

LANDLORD FAIR

The City is launching a program to support landlords who rent to Boston households moving out of homelessness.

The program provides landlords with **signing bonuses** and **holding fees**, as well as access to prospective tenants who are ready to sign leases and a dedicated customer service provider.

Join us for the Landlord Fair to gain access to the opportunity.

Tuesday, June 22 & Monday, June 28
from 2:30pm to 7pm

Women's Lunch Place
