

Tenancy Preservation Program

Providing Sustainable Homelessness Prevention for Individuals and Families with Disabilities

TPP works with tenants, including families, facing eviction as a result of behavior related to a disability.

TPP functions as a neutral party to the landlord and tenant.

In consultation with the Housing Court Department, TPP works with the landlord and tenant to determine whether the disability can be reasonably accommodated and the tenancy preserved.

TPP clinicians:

- Assess the reasons for the eviction
- Identify needed services
- Develop a treatment plan to maintain the tenancy
- Monitor the case for as long as is necessary
