Tenancy Preservation Program (TPP)

Providing Sustainable Homelessness Prevention for Individuals and Families with Disabilities

TPP works with tenants, including families, facing eviction as a result of behavior related to a disability. TPP functions as a neutral party to the landlord and tenant.
In consultation with the Housing Court Department, TPP works with the landlord and tenant to determine whether the disability can be reasonably accommo-dated and the tenancy preserved.

TPP clinicians:

- Assess the reasons for the eviction
- Identify needed services
- Develop a treatment plan to maintain the tenancy
- Monitor the case for as long as is necessary
