

**Response to Questions Received by MassHousing regarding Request for Proposals
as of June 5, 2024**

MASSACHUSETTS HOUSING FINANCE AGENCY

One Beacon Street
Boston, MA 02108

**Request for Proposals (“RFP”) for Underwriting Services
Dated May 31, 2024**

The following questions have been received by MassHousing with respect to the RFP since it was posted on May 31, 2024. As stated in the RFP, written proposals in response to the RFP must be received no later than 3:00 p.m., Eastern Time, on June 28, 2024. See the RFP for specific instructions.

1. If we partner with another firm, does MassHousing prefer to receive a single response with answers by both firms provided or separate responses that both outline and acknowledge the partnership? **If a respondent is partnering with another firm to form a joint proposal, one proposal should be submitted in a single response.**
2. We are planning to submit a joint proposal as mentioned in the RFP, but we would like to clarify if our combined response can exceed the page limitation of 20 pages? **If a respondent is partnering with another firm to form a joint proposal, the page limit is increased to 30 pages.**

For further clarification, if the joint team’s proposal is not selected, please indicate if you would like each firm to be considered for a co-manager spot in that firm’s individual capacity.
